Numecent, Inc. Advances as Best Tech Workplace for Diversity Finalist in Orange County's 2018 Timmy Awards

Tech in Motion [announces](#) top 10 local companies for tech and opens public voting to determine winners

Orange County (September 24, 2018) – Tech in Motion Orange County has chosen [Numecent, Inc.](#) as a finalist for this year's Best Tech Workplace for Diversity category in the fourth Annual Timmy Awards, which recognizes the top workplaces for tech professionals in the Orange County area. Numecent joins an elite list of this year's finalists, including: SendGrid, Blast, Ad Exchange Group and Kareo. The public can vote for Numecent [here](#).

Numecent is a pioneer and technology leader in the rapid, secure, and friction-free provisioning of native software applications from the cloud or on-premises. Working across a range of sectors, Numecent's ground-breaking [Cloudpaging](#) technology offers a new paradigm for application delivery. Numecent's primary customers include Cloud Service Providers (CSPs), Independent Software Vendors (ISVs), Managed Service Providers (MSPs), and Enterprises.

"The team is honored by this nomination," states [Rebecca Power](#), Director of Marketing at Numecent. She adds, "Having a diverse and inclusive company pays off by bringing a multitude of perspectives to the continued development of our Cloudpaging products."

"As the event series grows each year, we are excited to celebrate the diversity, innovation and growth in the community – which we recognize is represented by these finalists whether or not they walk home with an award," says Mandy Walker, Director of Marketing at Motion Recruitment, creator of [Tech in Motion](#). Having such inspirational finalists in the running makes the Timmy Awards exciting every year.

Orange County's local community has a chance to get involved by voting online now through October 3rd to help determine which company will be crowned the best in tech. Winners will be chosen by a panel of expert judges and communal votes. The complete list of Orange County's 2018 Timmy Awards finalists can be found [here](#). The four award categories include: Best Tech Startup, Best Tech Manager, Best Tech Work Culture and Best Tech Workplace for Diversity.

Orange County's 2018 Timmy Awards will be held on October 23rd at the Improv at the Irvine Spectrum from 6-9pm. This free event is open to the public and will consist of tech demos, entertainment and networking. The ceremony will also feature presentations from Orange County's top tech leaders. If you are interested in learning more or attending Tech in Motion's biggest event of the year, visit the [Timmy Awards](#) or [RSVP here](#).

About Tech in Motion Events

Tech in Motion is an international events series that brings local tech community professionals together to connect, learn, and innovate. What started as a collaborative project in 2011 between IT recruiting firms [Jobspring Partners](#) and [Workbridge Associates](#), part of the Motion Recruitment network, grew into an organization of over 100,000 members across 12 chapters in North America including Atlanta, Boston, Dallas, New York, Philadelphia, DC, Chicago, San Francisco, Silicon Valley, LA, Orange County and Toronto. Please visit techinmotionevents.com for more information about notable speakers, sponsors and events.
